

# WSLC Resolutions for 2010

Every year, delegates to the Washington State Labor Council convention discuss, deliberate and act on resolutions submitted by the affiliated union locals and councils. These resolutions establish policy, programs and action for the WSLC. The following were passed by delegates at the WSLC's 2010 Convention held Aug. 9-12 in Tacoma. (Some resolution numbers are skipped because those proposed resolutions were withdrawn, tabled or rejected by delegates, or combined with another similar submission.)

## **SUPPORTING FOREST PRODUCTS JOBS AS ENVIRONMENTALLY SAFE**

*Resolution #20*

WHEREAS, supporting Forest Products Jobs through the Sustainable Harvest, Transportation, and Manufacturing of wood fiber from Washington State Forest Lands as environmentally safe family wage jobs; and

WHEREAS, forest industry jobs include loggers, log haulers, pulp and paper workers, mill workers and all jobs that lead back to sustainable forests; and

WHEREAS, we recognize wood fiber as environmentally safe, carbon neutral renewable resource; now, therefore, be it

RESOLVED, that the WSLC endorses forest product jobs as environmentally safe through the harvest of carbon neutral wood fiber.
